with the contribution of

PRIVACY POLICY

Your personal data will be processed in accordance with the General Data Protection Regulation and Slow Food's privacy policy (<https://www.slowfood.com/about-us/key-documents/website-privacy-policy/>).

By filling out the form, signing it and submitting it to Slow Food, you consent to the processing of your data in order to participate in the Food is Culture project's contest for chefs.

Additionally, we inform you that it being in the legitimate interests of the Slow Food association to keep you updated about its activities and to communicate its ideas and projects, unless you specifically object, you will be subscribed to the association's newsletter (which is not of a commercial, promotional or marketing nature) and that you could also receive occasional communications relating to specific campaigns or projects in which you might wish to participate at a local, regional or national level. In any case, if you are not interested in such communications you can unsubscribe at any time by clicking on the unsubscribe link contained in any message sent via this channel.

Having read this policy, I declare:

1. **that I am aware**, based on the information received in accordance with the General Data Protection Regulation and Slow Food's privacy policy (<https://www.slowfood.com/about-us/key-documents/website-privacy-policy/>) that:
 - a. by filling out the form, signing it and submitting it to Slow Food, I consent to the processing of my data in order to participate in the Food is Culture project's contest for chefs.
 - b. it being in the legitimate interests of the Slow Food association to keep me updated about its activities and to communicate its ideas and projects, I will be subscribed to the association's newsletter (which is not of a commercial nature) and that I could also receive occasional communications relating to specific campaigns or projects at a local, regional or national level.

2. **that I do not object to the communications** detailed above, as at any point I can interrupt them by using the unsubscribe link contained in every message sent via this channel.
